

Memorial Tree Donation Order Form

Honor a loved one with a lasting memorial – a live tree planted at one of our many beautiful parks. Simply choose the type of tree and let us know where you would like it planted. These 25-gallon trees vary in height from 8 – 12 feet, depending on the variety chosen. Trees can be purchased for \$350 each and will be planted October through March. Please Note: Trees are guaranteed for one year. After one year, the Warren County Park District is not responsible for replacing trees that are no longer viable. Warren County Park District is partnering with Sharon Nursery for this program.

Date: _____

In Memory of: _____

Type of Tree (please check box):

- | | | |
|--|---|--|
| <input type="checkbox"/> Autumn Blaze Maple | <input type="checkbox"/> Red Maple (Red Sunset) | <input type="checkbox"/> Red Maple (October Glory) |
| <input type="checkbox"/> Eastern Redbud | <input type="checkbox"/> River Birch | <input type="checkbox"/> Thornless Skyline Honeylocust |
